After ten long years, the iron-fisted rule of DOCTOR ROBOTNIK over planet MOBIS was believed to have finally ended! With the technological tyrant vanquished and his smelly factories shut down, order and beauty were restored to the city of ROBOTROPOLIS. Now the villain has returned to wreak havoc once more, but there are many who are willing to stand against him in the fight for freedom. The bravest among them is a brash, blue streak who just happens to be the fastest thing alive! **ARCHIE COMICS AND SEGA PRESENT... SONIC THE HEDGEHOG!**

OFF PANEL

by Gallagher Manak & Amash

THIS JUST IN! J.F. GABRIEL

What's up, Hog-believers? As the Off-Panel above suggests, I am indeed on the west coast... as a new employee for Sega of America Dreamcast, Inc. My official job title is Senior Licensing Coordinator. In that position, I'm responsible for art approvals on everything (T-Shirts, toys, posters, you-name-it) Sonic-related, as well as other Sega-owned properties.

I can't tell you what a move that was. It all happened during Holiday 1999. My life had never been so chaotic (no pun intended)! Though I relished the opportunity, I knew I would miss editing the Sonic line of books for Archie Comics. To my surprise, both Archie and Sega wanted yours truly to continue to edit the Blue Blur's adventures well into the new millennium. How could I pass the chance to head into new frontiers while still doing what I love (putting this book out month after month for you to read)!?

And wait 'til you experience what the Sonic stable has in store for you in the coming months. We're set to what your appetite for more action & excitement than you can shake Antoine at. All this as we gear toward the 100th Issue of Sonic The Hedgehog! It's a milestone you won't want to miss!

The bottom line is that J.F. Gabriel may no longer be an Archie staff editor/art director anymore... but I'm still your Sonic editor/art director for many issues to come!

Catch you on the flip side!

J.F.

(Note: Due to the overwhelming amount of e-mail and mail that I receive for this column, I cannot read each and every message. However, your opinions are important to us and each message will be read. Also, due to space limitations, some correspondence may be edited. Thanks for understanding!)

Check out fans' response to SONIC THE HEDGEHOG issues #78 and 79 and KNUCKLES #32:

Dear SonicStam!,

I'm a true blue Sonic fan. I've been collecting since issue #14 and enjoy reading it more than any other. I'm really glad Sonic's still around, because it seems like everyone's forgotten him. SONIC THE HEDGEHOG and KNUCKLES THE ECHIDNA are definitely two of the best comics around. I read issue #78 and can't wait for #79 and the "SONIC ADVENTURE" adaptation. Oh yeah...let's see more of Sonic and Tails together/one-on-one, okay? Keep up the good work!

Matthew M. Horvath
Hudson, NJ

You like hedgehogs, you say? and red echidnas, too? Well, as you can tell from this issue, Nathaniel, KNUCKLES has become an ongoing feature in SONIC. Two cool heroes for one cool price...and you can expect to see Sonic and Tails team up to fight an old enemy in an upcoming two-parter. See you there!

Dear SonicStam!,

Well, I will begin by saying your 79th issue was great. I think "SONIC ADVENTURE" will be the best adaptation yet. I want to congratulate you on your work over the years. I have been a Sonic fan my whole life. When I was about nine, I found a SONIC comic on the shelf and immediately bought it. I have almost every issue from #0-#79, including most of the SPECIALS. I just wanted to say that I think the storyline has improved greatly over the years. Now, instead of each book having its own story, the series has become one continuous story that links each issue to the other. This makes me look forward to each month all the more. Keep up the good work!

Gregory Daniel
Hudson, NJ

We intend to, Gregory, and we're glad you're enjoying the

COMING ATTRACTIONS

Next Issue: #84, THE OFFICIAL GAME ADAPTATION OF THE NEW SEGA DREAMCAST'S "SONIC ADVENTURE" continues!

slightly more episodic story format we've been running with since issue #75!

Dear Archie:

What in the world is going on???? You're stopping KNUCKLES?? I've been reading since issue #1 and it is my favorite comic, even more so than SONIC THE HEDGEHOG! Its storyline can't beat it, nor can its characters! So, I have only two things to ask: 1) Why?? You've come this far, what happened to cause this?? and 2) How do we get KNUCKLES back in his own comic?? So, for now, the two things I wait for are Queen Alicia's return, and now Knuckles' return to his rightful place. God save the Queen and long live Sir Knuckles!

(age 14)
Oklahoma City, OK

1) Believe it or not, faithful Max, KNUCKLES was suffering from poor sales, but don't fear— Knuckles won't be suffering from a lack of exposure in any upcoming issues of SONIC. 2) If enough readers write in and demand its return, then it's very possible...but in the meanwhile, you'll have to settle for Queen Alicia's return instead!

Dear SONIC and KNUCKLES directors,

I noticed that I can't get a KNUCKLES subscription anymore. I haven't heard anything about you cancelling it. If you are, it makes me sort of mad. I was about ready to get a subscription, too. If you could clarify this, it would be much appreciated. Oh, and if it's not cancelled, I'm way past sorry. Keep up the good work (even if it might only be on SONIC)!

Joel Johnson
(age 13)
Haine, NY

We're sorry to say it, but KNUCKLES ended its exciting run with issue #32, but don't worry, Joel— Knuckles won't disappear from these pages!

Dear SonicStam!,

I just read SONIC #79, and I'd be lying if I said it stunk. I haven't seen better cover art since issue #62 (I've been collecting since #54). The picture in this issue's "This Just In" is

way past cool! What is Sonic's real name?

Eric "Sonic" Horton
(age 10)
Rogers, AZ

Only Sonic's middle name was revealed to Knuckles by Sonic's dad in issue #52, Eric— It's "Maurice."

Dear Archie,

When I look at the Overlanders, I feel embarrassed on behalf of the human race. I think the only thing they were destroying was themselves. Killing for food is one thing. Killing for sport, that's different. Hunter should know better than to go gunning for a warrior such as yourself. Instead, he killed your childhood bully, and must now atone for his evils in a submerged prison pod.

William Green
(age 23)
Elkhart County, IN

And we hope that's where he'll stay for a good, long time, William.

Dear SonicStam!,

SONIC #79 "kick!!" I just can't wait until issue #80!! I just have two questions: 1) Will there ever be a SONIC #100???? 2) Will Sonic ever marry Sally?? Keep up the good work!!!!

James Fagan
(age 10)
Manchester, NH

1) You think there won't be, Arielas???? 2) Well... sure...some-day...maybe...if he ever pops the question...and if she says, "Yes"...perhaps.

We appreciate your comments on SONIC #78 and #79 and the final KNUCKLES issue. See you in thirty when we review more SONIC #79 plus SONIC #80. And remember...

KEEP ON JUICIN'!
